WELCOME to Summermusic 2010

Summermusic is a fun filled day-camp for young music enthusiasts aged 3 to 18. Students receive instruction in orchestral instruments, recorder, choir and music appreciation as well as joining in fun recreational activities. No matter which full-day program you choose, all campers join together in massed choir and everyone participates in our final presentation for family, friends and the general public.

Every year, Summermusic evaluates its programming to ensure continued growth and development in the musical experiences offered to our campers. Here are some of the enhancements for 2010:

- Junior Choir – students have more beginner instruments to choose from.
- Intermediate Ensemble – is no longer part of the Junior Choir program.
- Music for Young Children – the demand for the 7 & 8 year old course was so high, we had to add a second class! Students also have more instruments to choose from.

We are proud to announce that our camp enrolment has been increasing over the past several years, and 2009 was our biggest year ever with 93 participants! Thanks to all our campers and staff for making Summermusic such a success.

Out-of-town participants are always welcome. We can help arrange car-pools or billets. For more information, contact Susan at 613-584-1110 or susan.oboe@magma.ca or visit www.drso.ca.

Come join us for our **eighteenth** summer of music and fun!
