JULY 11 - 22

WELCOME to Summermusic 2011

Summermusic is a fun filled day-camp for young music enthusiasts aged 5 to 18. Students receive instruction in orchestral instruments, recorder, choir and music appreciation as well as joining in fun recreational activities. No matter which full-day program you choose, all campers join together in massed choir and everyone participates in our final presentation for family, friends and the general public.

Summermusic re-evaluates its programming every year to better meet the needs of our student body. The demand for the older age groups in our **Mini-Courses for Young Children** program has steadily increased for the past several years, while enrolment for the youngest age category has decreased. In order to best reflect these trends, we have:

- Added a second 5 & 6 year old class.
- Discontinued the 3 & 4 year old class.
- Increased the class sizes for the 5 & 6 and 7 & 8 age group.
- Added a mini-ensemble component to the afternoon session of the 7 & 8 year old class to accommodate those who already have some experience playing strings or recorder.

We are proud to announce that our camp enrolment has been increasing over the past several years, and 2010 was our biggest year ever with 106 participants! Thanks to all our campers and staff for making Summermusic such a success.

Out-of-town participants are always welcome. We can help arrange car-pools or billets. For more information, contact Susan at 613-584-1110 or susan.oboe@magma.ca or visit www.drso.ca.
